# Camp CCC

**2 SESSIONS x 2 WEEKS**

**Session 1 ~ Jul. 10 – 14 & Jul. 17 – 21**

**Session 2 ~ Jul. 31 – Aug. 4 & Aug. 7 – 11**

Let's go on a musical adventure together! Children aged 7 to 14 will have the opportunity to explore music in a fun and friendly camp environment.

Kids will have a good time learning about music one on one and in small groups with professional musical educators.

Activities will include listening exercises, singing in tune, ensemble playing and some fun musical games!

Student band instrumentalists, vocalists and pianists from grades 1 through 7 - beginning to advanced - are welcome!

Band students, if you didn't get to play an instrument during the school year, this is your chance. Singers, did you miss chorus this year because you had to take another academic class? Pianists, it's fun to play solos, but how about playing the piano with friends? If you did enjoy participating in a musical class in school during the year, this is a great chance to improve your talents!

Children will grow from this experience, learning rewarding musical and personal skills for life.

***This is a great chance to improve your talents!***

**Musical Games ~ Theory is Fun!** Children will discover the building blocks of music with peers at their own level. They will play music together and listen to each other, learning musical skills and teamwork.

Notes, chords, rhythms and the circle of fifths will come to life in a circle of friends!
